PROFESSIONAL EXPERIENCE

Fundraiser Organizer and Designer - SIRE Therapeutic Horsemanship (2026)
Planned and promoted a community fundraiser benefiting SIRE. Created marketing materials and social media content, coordinated volunteers and event activities, and shared my personal connection to therapeutic riding through public speaking.

Social Media Manager – The Pros Show (2025–2025)
Create and post social media content for a local news show such as short videos and pictures to promote each episode

App Reviewer- Bridging Apps (2025-current)
Create app reviews for Bridging Apps about apps who help people with disabilities

Freelancer- Freefuse (2024)
Created YouTube scripts and handled various tasks

Mentor - Baylor College of Medicine (2022-2023)
Mentored two people with disabilities involving monthly meetings plus emotional support through texting.

Virtual Assistant - Catalyst Investments Group (2021)
Created PowerPoints as well helped with any marketing tasks the company needed

Social media manager - Communication Circles (2018-2019)
Managed all of the social media postings as well as wrote blogs for this company.

Writer/Blogger - Self-Employed (2013 - current)
What started as a therapeutic outlet for me as a teen, grew and transformed into an educational journey for others who want to learn about the empowerment of people with disabilities. As far as today, I am using WordPress for my personal blog site as well as having a YouTube channel, TikTok, and Instagram.

Writer/Graphic Designer - Easter Seals Greater Houston (Internship 2015)
Compete creative graphic design for the ESGH Respite Program. Coordinate with the organization's Director of Respite for information on services.

Writer/Blogger - Sam Houston State University (Internship 2022)
Coordinate ideas and research for SHSU's Garrett Center on Transition and Disability Studies. Wrote articles on the university's upcoming events as well as my own challenges transitioning from high school to college. Reported and corresponded with the Director of the Disability Department.

Artist (2013-current)
Using only my mind and the movement of my eyes, with eye-gazing computer technology, I am able to create original paintings in the style of watercolors, acrylic, and oils. visit www.justmyeye.com

COMMUNITY INVOLVEMENT ANDLEADERSHIP EXPERIENCE

Public Speaker/Advocate
Easter Seals Greater Houston (2013 - current)
United Way Houston (2013 - current)
